MANY THANKS

So many people participated in making December a memorable month. Things like someone painting the baseboard heaters in the restrooms, to others beautifully placing a new nativity set and lovely decorations throughout the building. And there were those who had a great time preparing cookies for shut-ins and for serving after the cantata by the Sum of Us. The Thanksgiving offering for the Hanf family and the Christmas offering for the Rickles were so generous. Certainly there were all those other things that were done individually and as families that only God knows. What a wonderful thing it is to be a part of the family of God and to be able to share His love and joy with others!
