

## **SPECIAL ANNOUNCEMENTS**

### **ELECTION OF CHURCH OFFICERS**

As required by our constitution the slate of nominees determined by the elders and contacted by the nominating committee will be posted on the church bulletin board a minimum of four weeks prior to the date of the congregational meeting and printed in the February newsletter.

Additional nominees may be submitted to the nominating committee by members of the congregation up to two weeks prior to the election. Any additional nominees would then be taken into consideration by the elders before placed on the ballot.

Should any member of the congregation have a scriptural objection to any of the nominees, the objection is required by our constitution to be in writing and presented to the elders.

Thank you. - Bob Bristoll

### **NEWSLETTER**

The January edition of the Blanchard River Church of Christ newsletter will be the last printed version to be sent out as a mass mailing via the USPS. Due to escalating costs incurred with mailing the printed version, the church board has decided to go with an online version of the newsletter. The newsletter will be available beginning with the February edition on the new website [www.brivchurch.com](http://www.brivchurch.com). Hard copies will also be available at the church. - Buck Shultis

Please note: Should you have a birthday or anniversary which you do not wish to be included in the monthly lists, please contact Sue Graver by texting or emailing her using the information on the outside of this newsletter and she will remove that birthday or anniversary. Also, should you have a change of address in the future and you would like the folks of Blanchard River Church of Christ to know it, please send that change to me. Thank you. - Sue G
